9 Answer the question (in French or English).

Would you have liked to live in London in the 1960s? Explain your answer.

Yes, I would. I think that the 1960s were a nice time to live in because the music was good and people were able to fight for their rights.

No, I wouldn't. For me, the 1960s are not a nice period of history at all. People wore ugly clothes and had ridiculous hairstyles.
